

MEMBERS' RELEASE - No. 735/LG

14th June 2007

TTNA – Events Committee Position Available

A position has become available on the TTNA's Events Committee.

The Events Committee is responsible for proposing and organizing all of the TTNA's networking events, including Members' Briefings and the Annual Conference. The committee plays an important role in carrying out many of the Purposes and Powers of the Association e.g.

- to provide a forum for discussion of issues facing the Industry
- to form links with other industry and business organisations, and
- to develop and support networks of communication within the Industry

Like all TTNA committees, the Events Committee is headed by a representative of the TTNA Board, and supported by numerous other representatives of member organisations as well as the Executive Manager and staff. The ideal mix for the Events Committee would comprise of representatives from both the Industry and Associate Memberships and from Victoria and NSW.

The current committee consists of :

- Robert Bell (representing the Board) of Madison Filter (Industry Member - Victoria)
- Niall Finn of CSIRO Textile & Fibre Technology (Associate Member - Victoria)
- Chris Rane of TenCate (Industry Member - NSW)
- Fiona Gollan of The Smith Family (Industry Member - NSW) – departing end of June.

If you feel you could make a difference in the Association by contributing your ideas, sharing your contacts and committing some of your time to the Events Committee, please contact the TTNA Management Office now!
