

**PRESS RELEASE** - No. 804/LG

23 January 2008

**TTNA Members' Briefing – Occupational Health & Safety Update  
Tuesday 26 February 2008  
RMIT Brunswick  
4-6pm**

The TTNA is working closely with the Textile and Design Specialist Centre at the School of Fashion and Textiles RMIT to offer TTNA members and guests this workplace safety seminar.

The following speakers have been arranged to present the latest updates in Occupational Health and Safety issues which may affect the industry:

- ***Francis Zawila - Manufacturing Logistics and Agriculture Division, Worksafe Victoria***
- ***Gary Phillipson- Senior Health and Safety Consultant, RMIT University***
- ***Les Mapstone – Du Pont***

RMIT's Textile and Design Specialist Centre has been made available for this seminar as part of RMIT's function to provide industry with greater access to facilities whilst promoting the growth and innovation of the technical textiles industry.

Prior registration is essential for catering purposes.

Further details are available on the TTNA website ([www.ttna.com.au/events.htm](http://www.ttna.com.au/events.htm)), or from Lorraine at the TTNA Management Office on (03) 9866 6643.
